Subject: Support Marc Takamori as Director of Transportation (GET-1(10))

Dear Maui County Council:

I strongly support Marc Takamori as the Director of Transportation for the County of Maui. His background experience, achievements along with his caring personality, all display that he is very well qualified and deserving of this position. As a Kiwanian, I've worked with Marc on countless community service projects. He has a positive attitude and works with the betterment of our community in mind. Marc demonstrated amazing leadership skills when he became our club President with the Kiwanis Club of the Valley Isle between 2015 thru 2017. He has been our club Treasurer since. I must say, he is a very re-MARC-able individual and I am proud to support his appointment.

Thank you,

Shari Yamamoto
