Subject: Support Marc Takamori as Director of Transportation (GET-1 (10))

Dear Council Members,

This email testimony is to express my support Marc Takamori as Director of Transportation. He has been with the County of Maui, Department of Transportation for the past 11 years and is fully aware of the departments challenges and opportunities. With Marc's leadership- great things can continue to happen for our County. For FY2018 he was also awarded Employee of the Year for the Transportation Department. He is dedicated, trustworthy, and passionate about his work - the type of leader we want in Maui County.

Please confirm Marc Takamori for Director of Transportation.

Sincerely,

Lori Teragawachi, EdD
