COUNTY CLERK

Subject: Michele McLean

Aloha all,

My name is Don Brattin. I, along with my co-lead at P.S. United worked with Michele over the past 5 years. Put simply, every employer should be so lucky as to have a person the quality of Michele. She has great people skills. She works to solve problems in a positive way for all. She recognizes what is right, what is wrong and makes every attempt to provide a solution everyone can live with.

Bottom line is, she cares.

You have a fantastic public servant in Michele. Maui government needs people like Michele. I urge you to please retain her in her current position.

Mahalo, Don Brattin
