**Subject:** Appointment of Planning Director, GET-1

To Whom it may concern,

I along with my business associates are in full support of Michele McLean as Maui County Planning Director. We are a small family based company and Michele has been extremely helpful with our recent SMA project. She is reachable, along with returning calls and e-mails. We are not a large company however it has been a breath of fresh air to have Michele, as Planning Director help us out with timely information and clear direction. Michele is an example of the kind of servants we all need in our local government, and actually State and Federal. A real blessing to have a true servant of the people.

Sincerely,

Rob Kaplan, Kaplan Group...
