**Subject:** David Goode confirmation

To All Concerned,

I am writing in support of David Goode for Director of Public Works for Maui County. I have known David for the past 15 years, through my working career and the sport of golf. He has shown to be a perfectionist and responsible person in business and leisure. As a retired air conditioning journeyman, I have seen increased number of jobs with David's help through the Maui Contractors Association. Also, having the vision to see how much effort is needed to make our golf courses and parks more enjoyable. Please strongly consider David as part of the future of lifestyle on Maui. Thank you for your generous time.

Aloha,

Royden Heirakuji
