Subject: GET-1(6), Confirmation of David Goode

To Governance, Ethics, and Transparency Committee Chairman Mike Molina,

I have known David Goode (and his family) for almost twenty years and would consider him an excellent candidate for the Director of Public Works position. His numerous years of experience in leading organizations in both the public and private sectors is one of his strong points as well as his ability to get things done in a timely manner. His accomplishments over the years are too numerous to list but the fact that he has worked for four different mayors and over thirty different council members is proof that he has what it takes to get along with whoever he must to get things done.

Sincerely,
Chris McNeil DDS
