Aloha to All and Congratulations of the Commencement of your 2019/2020 Council.

I am writing in support of the Appointment of Scott Teruya as Director of Finance. Scott has demonstrated great vision and leadership while managing RPA in Maui County and has been the driving factor leading all of the other counties to new innovative technology that has resulted in expedited processes and maximization of property tax revenue.

Scott has successfully negotiated on behalf of all Hawaii Counties Administrators and software vendors to ensure that the entire State benefits from cost savings and minimized duplication in services obtained.

Scott's commitment has elevated your Counties Assessment standards and kept you on the cutting edge of technology.

Scott's most valuable characteristic though is his forward thinking vision and the inclusive nature in which he shares ideas and information with the other Counties Administrators. Scott has been a binding factor for us and has been instrumental in our development as an Assessment Administration.

I strongly support Scott for the appointment to Director of Finance and am confident that the Counties citizens would greatly benefit from his energy and vision.

Sincerely,

Brad Cone
