Testimony in Support of Karla Peters Appointment as Parks & Recreation Director

Good Morning Chairwoman King & Members of the Council;

My name is Keith Moniz. I am a retired Maui Police Department Juvenile Counselor. I am here testifying In Support of Karla Peters on her appointment as Parks & Recreation Director.

Back in the day I also worked for the Parks & Recreation as a Recreation Assistant. I've known Karla for the past 30 years. I have known her in several capacities. As a Parent, School Board Member, Parent involvement in school & her children's extra curricular activities & "team mom". In all of these capacities, Karla has excelled.

She is very reliable & has always managed her commitments. Karla is Smart, Honest, Thoughtful, Organized & most importantly she is a Great "People Person", Always with a Positive Attitude! Karla is also Credible, Trustworthy and Sensible. All these qualities, I Believe will be Important for Effective Leadership.

Thank you for your consideration and your time.

Keith K. Moniz
