Re: Agenda Item GET1(8) for Jan. 30, 2019

Aloha Chair and Committee Members:

I am writing in support of confirming Ms. Michele McLean as Maui County Planning Director.

In my experience of her as a staff planner, and then as Deputy Director, I was impressed by her listening ability, thoroughness, professionalism and follow-through. She dealt with all sides of an issue with impartiality, relying on legal bases for her conclusions.

We need more public servants like Michele in directorship positions. Please vote to keep her as Planning Director.

Mahalo,
