RE: Appointment of Planning Director, GET-1

Dear Mr. Molina,

This letter is in support of Michelle McLean for reappointment as Director of Planning. Not only have I known Michelle socially as she and I are both members of Maui Country Club, I have seen her in action at the County. In my experience, Michelle is well spoken, highly professional, prepared, personable and knows what she is talking about. We need more professionals like her.

My wife and I have been Maui residents for some time and have raised two daughters on Maui, one attending St Anthony and another at Seabury and I can assure you Michelle is highly regarded by many people in our island community. Most importantly I believe she chooses to work for the County since she is at heart committed to public service and the good of the Maui community.

Reappointing Michelle would benefit all of us.

Respectfully

Curt M. de Crinis
