Subject: Appointment of Planning Director, GET-1

Aloha Kelly, Mike and Keani,

Re: Appointment of Planning Director, GET-1,

I am writing to lend my support to Ms. Michele Mclean in the above matter.

In my dealings with Ms. Mclean, she has been very supportive to the community. In one instance, I had not even asked for assistance and she reached out to offer it because she saw that there was a common sense reason to point out a good idea to all concerned. I find this to be typical of the way she conducts herself.

In all my dealings with her it was easy to contact her and the reception was most welcoming. She was very kind in listening to my situation and trying to find good ways through. She always answered all my emails almost immediately when I sent them.

Ms. Mclean has a wonderful common sense approach backed by a great practical know how when working on these very important matters. Common sense, being a remarkably uncommon trait in my experience. I have found her to be very hard working and to be exceptionally intelligent in finding solutions for the common good in our county.

She has a generous nature which adds to the package and I feel that the combination of these qualities makes for an ideal person to fill the role of Planning Director. I have been most impressed!

With Aloha,

Sylvia Hamilton Kerr
