Dear Mr. Molina,

It has come to my attention that there is a meeting next Wednesday to confirm the selection of various appointees to the Mayor's new administration. As a long-time Maui resident, and Construction Manager, I am a person who interacts often with the Planning Department members and other County officials. I want to voice my sincere and wholehearted support of Michele McLean, as the new Planning Director. I have interacted with Michele, in her roll as Deputy Planning Director, and in the last thirty (30) days I have asked for her assistance on some issues regarding projects I am managing. She has always been responsive, helpful and fair, in her roles at the Planning Department. As recently as these last few weeks during the holidays, Michele has been one of the few people that were available to assist on critical issues that allowed our projects to proceed on-time, and stay on schedule. I hope to continue working with her in her new role as Planning Director.

I encourage you to please support Michele's appointment and help us continue to work diligently to provide critically needed housing here on Maui!

Mahalo, Mike
