**Subject:** Appointment of Planning Director, GET-1

Hello Mike,

I am writing to ask for your consideration of reappointment of Michele Chouteau McLean as Planning Director of Maui County. Michele has served faithfully in this capacity and as the assistant planning director for many years. She has vision for our islands to promote growth that is sustainable, while using our resources well to protect our environment during that growth. Her work ethic is impeccable and she is dedicated to make Maui county the best it can be for our future generations.

As you consider your decision for the best people to represent us well in the county for the years ahead, I would humbly ask that you confirm Michele Chouteau McLean as our Planning Director for Maui County.

Sincerely yours,

Juliana Smith Massenburg
