Subject: Appointment of Ms Michele McLean

I recently served on a Planning Directors forum with Michele McLean, and we just met again with other local planning directors to discuss common issues and opportunities.

I have found her to be very knowledgeable, and in her soft-spoken way, she projects a dedication and passion for serving the public interest. She is articulate, personable, and a good listener - desirable qualities for any administrator.

She is well-qualified to be the next Maui County Planning Director.

Thank you for allowing me to share my support for Michele.

Sincerely,
Kathy Sokugawa
Honolulu, Hawaii
