RE: Appointment of Planning Director, GET-1

Aloha,

I am writing today in support of Mrs. Michele McLean for the re-appointing of Maui County Planning Director.

I have known Michele for over 20 years and hold her in extremely high regard. Michele is one of the most trustworthy and forthright people I have the privilege to know. In all of my experiences with Michele, she has always been considerate, communicative and incredibly organized. She is a valuable asset to the Planning Department team as well as a very active and contributing member of the Maui community.

With her background and many years of experience as Deputy Director, Michele is highly deserving of retaining the position of Director. I ask that you keep her in her well-deserved position.

Mahalo for your time and thoughtful consideration.

With Warm Aloha,

Chelsea Scheffer
