Subject: Appointment of Planning Director GET-1

Good Morning Mike

I hope this letter of support is not too late for today's hearing. I am a licensed General Contractor of 20+ yrs on Maui. I deal day and day out with the Planning Dept. and I support Michelle Chouteau McLean to remain as Planning director .

She has brought a much needed balance and structure to the Dept .

Please vote to keep her on.

Thank you

Todd Boyd 808-283-8722
