Subject: Appointment of Scott K. Teruya to Finance Director

Aloha Honorable Chair Molina and Council Members:

This letter is in strong support of the appointment of Scott K. Teruya, as Director of Finance, County of Maui.

I have known and worked with Scott in his capacity as Real Property Tax Administrator since 2008. During the majority of this time, I held the position of Registrar, Bureau of Conveyances, State of Hawaii. Scott and I worked together to provide consistent and timely information relating to real property tax information for the State of Hawaii and County of Maui. Scott is an honest and dedicated County employee. While in his position of Administrator, Scott implemented new programs and processes to better the administration of fair and equal real property taxation within the County. Additionally, Scott and I worked on common legislation to better the operations of both the Bureau of Conveyances and the county Real Property Tax Divisions. Scott has shown ability to advocate for the betterment of the County government and the residents of Maui.

I strongly support the appointment of Scott K. Teruya to Director of Finance, County of Maui.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nicki Ann Thompson', with a long horizontal line extending to the right.
