Re: Appointment of David Goode as Director of Public Works

Honorable Council Chair King and Council Members:

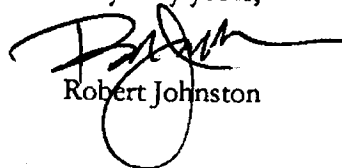

I am a longtime resident of Maui (over 30 years) and have known Dave for at least 15 years and have always found him to be professional, objective and informative and always willing to lend assistance.

I was pleased to see that Mayor Victorino appointed Dave Goode to continue in the position of Director of Public Works. I fully support this selection. During Dave's tenure in this position he has assisted me and my company, Hawaii Pacific Solar, with permitting of large utility scale projects in Kihei and Lahaina as well as numerous commercial and residential projects throughout Maui. Dave's willingness to meet with us and go through various concerns and issues that we needed to address was extremely helpful in getting these projects permitted and completed in a manner acceptable to the County.

I also sit on the board of the Hawaii Nature Centers and when the Iao Valley facility experienced devastating damage due to two storms in the past few years, Dave was instrumental in assisting us with temporary sanitation facilities and other assistance as well as keeping us informed of the County's progress in road repair and flood control.

Government needs selfless, capable and honest people like Dave so I urge you to approve the nomination of David Goode as Director of Public Works.

Very truly yours,

Robert Johnston
