To Whom It May Concern:

I would like to introduce myself. My name is John Mizoguchi and co-owner at Therapeutic Associates of Maui, LLC in Kahului. I am an Occupational Therapist who provides "Industrial Rehabilitation" and "Work Hardening" services that focuses on returning injured Firefighters back to work. This is a letter of intent to donate "Fitness or Work Out" equipment/supplies to the Maui Fire Department's Napilii Station. This allows injured firefighters who have completed their rehabilitation to continue following through with their physical/functional training programs independently. Moreover, this can be utilized by all station firefighters incorporating job task specific physical and functional training circuits as prevention measures and wellness. Please see attached equipment/supplies compilation list (items subject to change due to stock availability).

Please do not hesitate to contact me should you have any questions at facility phone# (808) 877-8717, direct phone line# (808) 873-8348 or email at jmizoguchi@therapymaui.com should you have any questions.
