Subject: Wailuku Civic Hub public meeting

Aloha,

I am writing to request a public meeting on the Wailuku Civic Hub be held in the evening. This request is so working members of the community will be able to attend, ask questions, and hear information regarding this project. I am a Waiehu resident and lived in Nā Wai 'Ehā my entire life. I am an active advocate for Hawai'i's natural resources, especially the wai. This project will have a huge impact on our water use. Mahalo for your consideration.

Na'u,
Kōnane Awo de la Nux
Board member of the Hui o Nā Wai 'Ehā
