Goals/Objectives

- Provide safe and reliable service to the riders and maintain a good on-time record.
 - Monitor services and determine changes necessary to meet the needs of the community and on-time performance.
- Operate and manage the transit system effectively and provide accessible transit service.
 - Ensure preventive maintenance is completed on schedule and that all vehicles with wheelchair ramps and lifts are operational. Monitor passengers per revenue vehicle hour.
- Improve existing transit system and construct ADA compliant bus stops/shelters.
 - Review and implement bus stop improvements based on the Maui County Bus Stop Planning and Design Services plan.
