GET-1, Confirmation of Director of Housing and Human Concerns.

Dear Chair Molina and Members of the Governance, Ethics, and Transparency Committee

I would like to offer my support to confirm **William Spence** as the **Director of Housing and Human Concerns**. I have had the opportunity to work with him on a few issues on Moloka'i and have found him to be resourceful and supportive of our community. His knowledge of our islands, our land use laws and our communities can only be an asset to providing housing and services for our residents.

Thank you for your consideration. If you would like to speak to me directly about my support for Mr. Spence, please call my office at (808)586-6790.
