Chairman Molina

and members of the Governance, Ethics, and Transparency Committee

Dear Chairman Molina and committee members,

I wholeheartedly support the confirmation of William Spence as the Director of Housing and Human Concerns. I have known Will for more than two decades and know he will do an excellent job for the county and its residents. He is competent in administering our laws and has always had an eye for helping "the little guy." Affordable housing is one of our state's top issues, and I believe he is an excellent candidate for this position.

Me ke aloha pumehana,
