Subject: Testimony for GET Committee Meeting Will Spence

Hello GET Committee,

I was born and raised on Maui, and have great concern for our community. I have known Will Spence for 34years, and can assure you he carries the utmost integrity, and care for the people of Maui County. In addition to this he has proved to be an effective and exemplary leader within the County as Planning Director and as Director of Housing and Human Concerns. I look forward to see what he will do for the community at large as he continues on as Director of Housing and Human Concerns. I can assure you the people of Maui appreciate your decision to confirm Will Spence.

Aloha,

Ed Schiek
