ECONOMIC DEVELOPMENT AND BUDGET COMMITTEE

April 5, 2019

**Committee
Report No. _____**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Economic Development and Budget Committee, having met on March 14, 2019, and reconvened on March 19, 2019, makes reference to County Communication 19-83, from the Budget Director, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2019 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX C - CAPITAL IMPROVEMENT PROJECTS, DEPARTMENT OF PUBLIC WORKS, COUNTYWIDE, COUNTYWIDE FEDERAL AID PROGRAM."

The purpose of the proposed bill is to amend the Fiscal Year ("FY") 2019 Budget, Appendix C, Capital Improvement Projects, Countywide Federal Aid Program (CBS-5022), by adding "Old Haleakala Highway Traffic Signal Upgrade at Pukalani Street" and deleting "Papalaua Street and Wainee Street traffic signal upgrades."

According to the communication, the description of projects to be performed in FY 2019 with Federal Aid program funds is being amended because funding for traffic signal upgrades is available in FY 2019 for the Old Haleakala Highway but is being deferred until FY 2020 for Papalaua Street and Wainee Street.

The Deputy Director of Public Works said the proposed bill will switch the two federally funded projects from one fiscal year to another. The funds have already been allocated by the Federal government and will be used for construction.

A representative of the Department said the Old Haleakala Highway traffic signal improvements will occur at the intersection near the Mayor

Hannibal Tavares Community Center and Pukalani Terrace Shopping Center. The representative said all existing hardware will be replaced and improved to current standards. He said the Department has an approval deadline of May 31, 2019, with an additional 180 days to start construction.

The representative further stated noticeable changes associated with the upgrade will include traffic signal timing, the ability to detect motorcycles and bicycles, and a flashing yellow light to indicate one should proceed with caution. He also said the new controller should have the capability to communicate with the baseyard, which will allow for remote updates to traffic signal timing.

He also said the projects need to go through the Maui Metropolitan Planning Organization review and approval process to be on the Statewide Transportation Improvement Program.

Your Committee voted 9-0 to recommend passage of the proposed bill on first reading and filing of the communication. Committee Chair Rawlins-Fernandez, Vice-Chair King, and members Hokama, Kama, Lee, Molina, Paltin, Sinenci, and Sugimura voted "aye."

Your Committee is in receipt of a revised proposed bill, approved as to form and legality by the Department of the Corporation Counsel, incorporating revisions that take into account prior amendments to the FY 2019 Budget.

Your Economic Development and Budget Committee **RECOMMENDS** the following:

1. That Bill _____(2019), as revised herein and attached hereto, entitled "A BILL FOR AN ORDINANCE AMENDING THE FISCAL YEAR 2019 BUDGET FOR THE COUNTY OF MAUI AS IT PERTAINS TO APPENDIX C - CAPITAL IMPROVEMENT PROJECTS, DEPARTMENT OF PUBLIC
