Dear Chair Rawlins-Fernandez:

SUBJECT: **PROPOSED FISCAL YEAR 2020 BUDGET FOR THE COUNTY OF MAUI**
(EDB-1)

This letter is sent to you as the Chair of Economic Development & Budget Committee ("EDB"). As requested by Councilmember Tasha Kama, dated April 22, 2019, Department of Water ("DWS") would like to further clarify answering her question posed at EDB committee meeting of April 16, 2019.

Goal #3, Item 1, Minimize Water Loss, under Key Activity Goals & Measures shows the estimated amount of miles of waterline DWS inspects each fiscal year. After further exploring and discussing with staff, it was determined the value of 900 miles per year of waterline inspected is incorrect. The total amount of transmission and distribution waterline DWS operations is 750 miles.

We will work towards a more accurate metric to show the length of waterline inspected in the future.

In advance, thank you for your attention to this matter. If further clarification is needed, please do not hesitate to contact me.

Sincerely,
