CONDITIONS

1. This ordinance is conditional upon the Council's adoption of a resolution approving with modifications the independent development of Makila Rural East Workforce Housing Project pursuant to Section 201H-38, Hawaii Revised Statutes (the "201H Resolution").

2. If the 201H Resolution shall expire due to the developer's failure to start physical construction on the Property by the time deadline set forth in the 201H Resolution, this ordinance shall also terminate concurrently with the expiration of the 201H Resolution.

3. Developer shall complete all of the 46 residential workforce housing lots, the 4 workforce live-work units on the Property, the neighborhood country store, and the community park, with all related infrastructure not later than the fourth (4th) anniversary of the effective date of the 201H Resolution. Developer may, subject to Council approval by resolution and for good cause, be granted one (1) time extension to this deadline, provided the request for time extension is received by the Council prior to the third (3rd) anniversary of the effective date of the 201H Resolution. Failure to submit the request in a timely manner shall result in a forfeiture of the opportunity for extension.

4. The Property shall be developed as a residential housing project known as Makila Rural East Workforce Housing Project, in accordance with the 201H Resolution.

5. The Property shall be developed in strict compliance with the representations made to the Council in obtaining approval of the State District Boundary Amendment.

6. There shall be a prohibition on any action that would interfere with or restrain farming operations; provided the farming operations are conducted in a manner consistent with generally accepted agricultural and management practices on adjacent or contiguous lands in the Agricultural District.

7. There shall be notification to all prospective developers or purchasers of land or interest in land in the petition area and subsequent notification to lessees or tenants of the land, that farming operations and practices on adjacent or contiguous land in the Agricultural District are protected under Chapter 165, the Hawaii Right to Farm Act, and the notice shall be included in any disclosure required for the sale or transfer of real property or any interest in real property.
