

COUNCIL OF THE COUNTY OF MAUI
WATER AND INFRASTRUCTURE
COMMITTEE

June 7, 2019

Committee
Report No. 19-56

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

This report recommends adoption of a resolution to accept Wailuku Parkside roadway lots as County streets.

Your Water and Infrastructure Committee, having met on May 13, 2019, makes reference to County Communication 19-128, from the Acting Director of Public Works, transmitting a proposed resolution to accept nine roadway lots located within the Wailuku Parkside Subdivision, Phase I and Phase II, identified for real property tax purposes as tax map keys (2) 3-4-046:019, (2) 3-4-046:020, (2) 3-4-046:021, (2) 3-4-047:065, and (2) 3-4-048:042, from KLD Holdings, LLC ("Subdivider").

At the request of the Chair of your Committee, the Department of the Corporation Counsel transmitted a revised proposed resolution, entitled "ACCEPTING DEDICATION OF ROADWAY LOTS FOR THE WAILUKU PARKSIDE SUBDIVISION, PHASE I AND PHASE II, SITUATED IN WAILUKU, MAUI, HAWAII, PURSUANT TO SECTIONS 3.44.015 AND 18.40.010, MAUI COUNTY CODE," approved as to form and legality. The revised proposed resolution includes a finding that acceptance of the substandard Wailuku Parkside roadway lots is in the public interest, consistent with Section 18.40.010, Maui County Code ("MCC").

Your Committee notes, pursuant to Section 3.44.015(D), MCC, the Council may accept donations of real property or any interest in real property by the adoption of a resolution.

The Acting Director of Public Works informed your Committee of the Subdivider's desire to dedicate the roadway lots to fulfill its

COMMITTEE

subdivision requirements. The Acting Director further informed your Committee the Department believes the dedication is in the public interest because:

- 1) the roadways contain regional, County-maintained drainage and sewer lines serving the public beyond Wailuku Parkside residents;
- 2) the roadway lots provide the only route to a publicly accessible private park; and
- 3) the cul-de-sac roadway lots along the Wailuku River provide access for County flood protection maintenance.

The Acting Director said the Wailuku Parkside Subdivision was granted final subdivision approval on July 17, 2000. The roadway lots met County standards at that time, but the Subdivision Ordinance has evolved, and the roadway lots no longer meet all standards. The Acting Director also said the roadway lots are in generally good condition, but improvements are needed for the roadway lots to comply with the current Subdivision Ordinance. These improvements include adding curb ramps to conform to the Americans with Disabilities Act, replacing road striping and signage, and conducting pavement preservation.

Your Committee noted the 119 Wailuku Parkside homes have been subject to County real property tax for nearly two decades, but their occupants have not yet benefited from County street improvements because the roadway lots have not been dedicated.

The Acting Director said the roadway lots were not dedicated earlier because of title issues involving the Eha Street extension. Until the County accepted the Eha Street extension, the County could not consider accepting the Wailuku Parkside roadway lots because they needed to first connect to a County road. The Council adopted

WATER AND INFRASTRUCTURE
COMMITTEE

Committee
Report No. 19-56

Resolution 15-87, on July 24, 2015, to accept the portion of Eha Street needed for dedication.

Your Committee expressed concern that accepting noncompliant roadway lots could place the County at risk of being liable for injuries occurring on the streets. Thus, your Committee revised the proposed resolution to say the Subdivider must maintain insurance covering the roadway lots and naming the County as an additional insured. In addition, the Subdivider must indemnify the County for any injuries occurring on the streets. The indemnification and insurance will be maintained for a two-year period, commencing upon recordation of the roadway lot deeds.

Your Committee voted 6-0 to recommend adoption of the revised proposed resolution and filing of the communication. Committee Chair Lee, Vice-Chair Paltin, and members Kama, Molina, Rawlins-Fernandez, and Sinenci voted "aye." Committee member Hokama was excused.

Your Water and Infrastructure Committee RECOMMENDS the following:

1. That Resolution 19-112, as revised herein and attached hereto, entitled "ACCEPTING DEDICATION OF ROADWAY LOTS FOR THE WAILUKU PARKSIDE SUBDIVISION, PHASE I AND PHASE II, SITUATED IN WAILUKU, MAUI, HAWAII, PURSUANT TO SECTIONS 3.44.015 AND 18.40.010, MAUI COUNTY CODE," be ADOPTED; and
2. That County Communication 19-128 be FILED.
