Aloha Council Members,

We, on the West Side, deserve to be able to attend these extremely important decision making meetings that are affecting West Maui. We are asking you to hold meetings on the West Side as it can be very difficult for people on the West Side that are working to take time off to make the trip to Wailuku. Thank you for taking this into consideration.

Mahalo,

Shauna Buckner
427 Punakea Loop
Lahaina
