Subject: Makila At Launiopoko

To whom it may concern:

Please, please, please reconsider adding more homes in Launiopoko and changing designation from AG LAND to URBAN. Our tiny island infrastructure can not handle more homes, especially in the water starved, fire hazard of Launiopoko.

Please take careful consideration when submitting your vote. Consider the whole of West Maui and not just a certain developer trying to change the system to benefit a few.

Mahalo for your consideration.

Sincerely,

Annie Kizel
