Subject: Please Support Affordable Housing for Residents Today

Aloha,

I am asking you to please support all the affordable housing projects that will allow local people to move into homes they can own. These are Maui working people that need hope and opportunity. The longer we wait, the more out of reach housing will become. A half dozen years ago Hawaii Economist Paul Brewbaker predicted median home prices of \$800,000. Who believed it? But here we are. Please help.

Mahalo,
Dom
