MAY-ANNE A. ALIBIN Deputy Director

June 10, 2019

Honorable Michael P. Victorino Mayor, County of Maui 200 South High Street Wailuku, Hawaii 96793

For Transmittal to:

Honorable Keani N.W. Rawlins-Fernandez Chair, Economic Development and Budget Committee 200 South High Street Wailuku, Hawaii 96793

Dear Chair Rawlins-Fernandez:

APPROVED FOR TRANSMITTAL

SUBJECT: APPROVING THE DIRECTOR OF FINANCE TO COMPROMISE A

This is in response to your request dated June 6, 2019 on the above subject, relating to communication 19-140 and subsection 3.48.010(L) Maui County Code.

1. The amount of tax assessed or proposed to be assessed.

CLAIM RELATING TO REAL PROPERTY TAXES (EDB-16)

The taxes in question are for fiscal year 2017-2018:

TMK 210130790000 \$0

TMK 210130790001 \$6,098.80

TMK 210130790002 \$1,622.98

Total \$7,721.78

2. The amount of penalties and interest imposed or proposed to be assessed.

Penalty and interest are still accruing because the real property taxes have not been paid as of 6/7/2019. The penalty and interest total calculated as of 6/30/2019 is \$2,386.02. The department is proposing to reduce the penalty and interest assessment to \$0 upon payment of taxes in full.

3. The amount of penalties and interest imposed or which could have been imposed by law with respect to subdivision 1 of this subsection as computed by the director.

Honorable Keani Rawlins-Fernandez June 10, 2019 Page 2

Penalty and interest are still accruing because the real property taxes have not been paid as of 6/7/2019. The penalty and interest total calculated as of 6/30/2019 is \$2,386.02.

4. The total amount of liability as determined by the terms of the compromise, and the actual payment made thereon with the dates thereof.

Penalty and interest have been calculated to be \$2,386.02 as of June 30, 2019. It is the intent of the department that the compromise be no more than the penalty and interest calculation. The tax payer has yet to make a payment on the delinquent tax map keys, 210130790001 and 210130790002. As of 6/7/2019, the department has not made any compromises with respect to tax maps keys 210130790001 and 210130790002.

5. The reasons for the compromise.

On January 1, 2017, the assessment date for fiscal year 2017-2018, the subject was a two- unit condominium project. On February 10, 2017, the condominium regime was canceled. On March 17, 2017, the property sold for \$927,600 to the owner of a nearby property. On March 17, 2017 the escrow company gave the Real Property Assessment (RPA) a change of address for the purchased property and not for the two properties that were assessed for fiscal year 2017-2018. The lack of a current mailing address resulted in the parcels going delinquent. RPA discovered the delinquencies in March 2018 and updated the mailing address to the owner of the new parcel. The owner is requesting that the penalties and interest be waived. To avoid situations like this in the future, RPA has been sending a courtesy letter reminding developers that taxes are due on parcels that are assessed as of January 1 but dropped before taxes are due the following fiscal year. Because condominium regimes are under the jurisdiction of the State of Hawaii, there is no tax clearance process like there is with subdivisions.

Attached is a copy of the real property tax bills for tax map key numbers 210130790001 and 210130790002. The amount is not confidential and therefore, an executive meeting to discuss information contained in the bill is not necessary.

Thank you for the opportunity to respond. Should you have any questions, please feel free to contact me at extension 7474.

Sincerely,

Director of Finance
