Aloha PSLU Committee,

Please accept my mana'o that I understand that change has to happen but come on! No mom and pop stores anymore, no parking and drunks and derelicts everywhere. I feel permits should not be given out until they have a team set up to both stop illegal rentals and regulate fines. Also, permits should be renewed every two years. I actually feel it should be every year. If a team can't be set up, then enough! Allow ONLY the current legal ones to have permits... but still need to renew every year or two.
