Subject: Re: Paia PSLU Meeting TESTIMONY

Aloha Council members -

Again - Mahalo for coming in to Paia, listening to people's testimony, considering, and trying to make the right decisions to help people of this County. It was very clear that although testifiers may differ widely on how to get from point A to point B, they all agree that taking care of the people who need it most is paramount. Hopefully that can be a thread that continues to unite.

It was one of the most respectful, well moderated meetings I've seen in the Community Center. Though long, something was achieved.

Cheers,
Greg
