Subject: Do NOT send police to Maunakea

Aloha

I am here to humbly ask to not send the police to Maunakea. There are no threats, no weapons, no anger. We all stand in love, unity, and protection for a place so sacred to our people. With the numerous support from people all across the state and throughout the world, we do not need police presence. We need the presence of our Governor and need him to talk to our leaders about the future of TMT. It will be a waste of time and money to send the police to another island.

Please listen to your people, the community and join us in the protection of our 'aina.
