

Proposed amendment language:

I move to replace the word “may” with “shall” under 19.530.030 Administrative enforcement, in three places, to read as follows:

"19.530.030 Administrative enforcement. In lieu of, or in addition to, enforcement by criminal prosecution, if the director of public works, the director of environmental management, the director of water supply, or the planning director determines that any person is violating or has violated any provision of titles 8, 12, 14, 16, 18, 19, and 20 of this code, any rules adopted thereunder, or any permit issued thereto, the director with jurisdiction over the relevant ordinance, rule, or permit, **SHALL** have the person served by mail with proof of mailing or personal delivery, with a notice of violation and order pursuant to this chapter and such administrative rules as the director **SHALL** adopt."

.....And on the second page of the proposed bill under (B):

"B. Contents of the order.

1. The order **SHALL** require the person to do any or all of the following:"
