# Most important factors to consider

- Lahaina was the original capital of Hawai'i.
- Lahaina became the epicentre for politics, innovation and trade.
- Lahaina lead Hawaii by creating and adopting the first constitution. The Bill of Rights as well was signed by His majesty Kamehameha III Kauikeaouli here in Lahaina.
- These few basic facts practically unheard of by the average person, much less the many tourist that come to our shores.

# Most important factors to consider

- Lahaina is the first town to be built by His Holiness Kainana.
- Lahaina is the major town in Maui.
- The average
