Mr. Glenn Mukai, Director
Department of Liquor Control
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Mukai:

SUBJECT: **ROADWAY SAFETY** (MT-10(8))

The Multimodal Transportation Committee met on August 19, 2019, and September 16, 2019, to discuss roadway safety. The Committee heard presentations from representatives from the Department of Transportation, Department of Police, Department of Public Works, Mothers Against Drunk Driving, and Maui Coalition for Drug-Free Youth.

According to statistics from the Hele Mai Maui Factbook 2018, more than 75 percent of fatal crashes on Maui were caused by drivers under the influence of alcohol or drugs. Data from the Maui Police Department also support this claim.

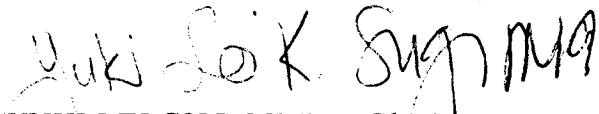

The Multimodal Transportation Committee intends to continue discussion on roadway safety at its meeting of September 30, 2019. Because the use of alcohol greatly impacts the safety of our roads, as Committee Chair, I am requesting you attend the meeting. Your participation in the discussion is vitally important.

Please confirm you or your Deputy Director's attendance by emailing mt.committee@mauicounty.us no later than **Friday, September 27, 2019 at noon**. If you are not able to attend, please state the reasons why. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
