Subject: Hana Hwy. traffic

Ten years ago we could drive to Kahului from Nahiku without and traffic problems. Two years ago it involved more traffic, but was manageable. Today our shopping or medical visit trips are a nightmare. The amount of traffic on our road has created unsafe driving conditions just by the shear number of vehicles trying to maneuver in a limited space. The uneducated tourist creates dangerous situations and the resulting road rage is building. The county needs to find a way to limit the number of vehicles before this dangerous situation gets out of hand.....the crumbling effect on out beloved bridges and the safety of local residents should be your main concern.
