____.B. NO.____

A BILL FOR AN ACT

RELATING TO TRAFFIC SAFETY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that unsafe driving
2 conditions may be created on two-lane roadways where the lead
3 vehicle is moving slowly, with a back-up of vehicles behind it,
4 and traffic moving in the opposite direction makes it unsafe to
5 pass. This situation is frequently encountered on Hāna Highway,
6 from Mile Marker 00 to Mile Marker 34, where visibility around
7 turns is inhibited because of the natural contours of the road.
8 The purpose of this Act is to require the driver of the lead
9 vehicle on Hāna Highway, from Mile Marker 00 to Mile Marker 34,
10 to use turnouts and allow vehicles to pass, thereby promoting
11 traffic safety on this roadway.

12 SECTION 2. Section 291C-41, Hawaii Revised Statutes, is
13 amended by adding a new subsection d to read as follows:

14 "**§291C-41 Drive on right side of roadway; exceptions.** (a)
15 Upon all roadways of sufficient width a vehicle shall be driven
16 upon the right half of the roadway, except as follows:

____.B. NO. _____

1 (1) When overtaking and passing another vehicle
2 proceeding in the same direction under the rules governing such
3 movement;

4 (2) When an obstruction exists making it necessary to
5 drive to the left of the center of the highway; provided any
6 person so doing shall yield the right-of-way to all vehicles
7 traveling in the proper direction upon the unobstructed portion
8 of the highway within such distance as to constitute an
9 immediate hazard;

10 (3) Upon a roadway divided into three marked lanes
11 for traffic under the rules applicable thereon; or

12 (4) Upon a roadway designated and signposted one-way
13 traffic.

14 (b) Upon all roadways any vehicle proceeding at less than
15 the normal speed of traffic at the time and place and under the
16 conditions then existing shall be driven in the right-hand lane
17 then available for traffic, or as close as practicable to the
18 right-hand curb or edge of the roadway, except when overtaking
19 and passing another vehicle proceeding in the same direction or
20 when preparing for a left turn at an intersection or into a
21 private road or driveway.

1 (c) Upon any roadway having four or more lanes for moving
2 traffic and providing for two-way movement of traffic, no
3 vehicle shall be driven to the left of the center line of the
4 roadway, except when authorized by official traffic-control
5 devices designating certain lanes to the left side of the center
6 of the roadway for use by traffic not otherwise permitted to use
7 such lanes, or except as permitted under subsection (a)(2). This
8 subsection shall not be construed to prohibit the crossing of
9 the center line in making a left turn into or from an alley,
10 private road, or driveway.

11 (d) Upon Hāna Highway, from Mile Marker 00 to Mile Marker
12 34, where passing is unsafe because of traffic in the opposite
13 direction or other conditions, any vehicle proceeding upon the
14 roadway, behind which five or more vehicles are formed in line,
15 must turn off the roadway at the nearest place designated as a
16 turnout by signs erected by the authority having jurisdiction
17 over the roadway, or wherever sufficient area for a safe turnout
18 exists, in order to permit the vehicles following it to
19 proceed."

20 SECTION 3. New statutory material is underscored.

____.B. NO. ____

1 SECTION 4. This Act shall take effect upon approval.
