Dear Mayor Victorino:

Fiscal Year 2019 Homeland Security Grant Program
Sub Recipient Award Grant Agreement Articles and Special Conditions

The State of Hawaii has been awarded the Fiscal Year (FY) 2019 Homeland Security Grant Program (HSGP) funds from the Department of Homeland Security, Federal Emergency Management Agency, Preparedness Directorate Grants and Training.

The FY 2019 HSGP funds are provided to prevent, deter, respond to, and recover from threats and incidents of terrorism. The FY 2019 HSGP supports the County of Maui in leveraging funding to support the National Preparedness System initiatives.

This grant is a result of congressional funding to enhance the capability of state and county agencies to prevent, protect, and respond to incidents of terrorism, but also supports all threats and hazards within the context of terrorism.

The FY 2019 HSGP funding is distributed by investment and projects. The investment is a "collage" of programs and capability reviews submitted by the County of Maui during the application period.

A copy of the investments and projects for the County of Maui are attached to the Sub Recipient Award Grant Agreement Articles and Special Conditions. While the HSGP funding continues to focus on terrorism, the support for all threats and hazards relating to acts of terrorism and other associated catastrophic preparedness is encouraged. It is also necessary that 25 percent of the HSGP continues to support law enforcement.

The County of Maui is the recipient of **\$704,000.00**. The grant funds are distributed in the investments and projects as shown with the attached Sub Recipient Award Grant Agreement Articles and Special Conditions. The HSGP funds not encumbered prior to **December 31, 2021**,

will be subject to re-prioritization from the County of Maui and reallocated to established investments and projects.

The Office of Homeland Security will continue to support the County of Maui's participation in training and exercises to improve core capabilities and support emergency preparedness, prevention, response, and recovery. In addition, the distribution of the FY 2019 HSGP funds is provided to identify the agency support of funding and how those funds provide benefit to the county jurisdictions by the respective state agency.

The County of Maui will utilize the implementation Strategy for Homeland Security to effectively fill the gap between needs and existing capabilities. All funds will be identified in a Detailed Budget Worksheet (DBW) which is included with the attached Sub Recipient Award Grant Agreement Articles and Special Conditions.

The Sub Recipient Award Grant Agreement Articles and Special Conditions includes the terms and conditions for the grant funding. If you agree with the Sub Recipient Award Grant Agreement Articles and Special Conditions, please sign both documents on the designated areas and return one set to the Office of Homeland Security no later than **October 4, 2019**. Please retain the second set for your records.

Thank you for your cooperation in expediting this initiative. If you have any questions, please contact Ms. Dolores Cook, Office of Homeland Security Administrator, at (808) 369-3570 or via email at dolores.m.cook@hawaii.gov.

Sincerely,
