I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).	YES
---	-----

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors.	YES
---	-----

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai.	YES
--	-----

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs.	YES

Additional Comments:

I am not sure how anyone can believe that by denying limited short term rental houses, which are more affordable for families, it is better for the island's economy. The local community, that works at jobs supporting this rental activity, will suffer as well. With only one small hotel on the island, there is not enough options for a family looking for a true cultural experience. I am not sure what everyone is afraid of.

Additional Comments:

And I believe that there should be a 6 bedroom, 12 person limit, as there is on Lanai and elsewhere.
We love visiting Molokai and supporting the whole infrastructure of workers who have made our vacation in a rental home a pleasure. How else will people on this wonderful island make a living?
This island must find good ways to invite others to contribute to the economic sustainability of local families and communities.
Thank you.

Additional Comments:

I have visited Molokai several times over the last decade and value the local culture and respect the need for reasonable regulation. At the same time, I think it is important to provide for a reasonable amount of visitors to provide employment for residents and make it possible for ordinary people to own property on Molokai.

Additional Comments:

Is Molokai being punished by the Maui County Council for some unknown reason?? Does it make any rational sense to take one of the most economically challenged areas in Maui County and take down functioning, law-abiding businesses that are needed by both our Visitors and our off-Molokai ohana when they come visit us? I would think the cost off set when families have to go on public assistance of some sort because their legal source of income just became "illegal", alone, would make a thinking citizen wonder about the motivations of their elected representatives!

Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

YES

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors.

YES

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families.

YES

I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being.

YES

Additional Comments:

Our Island took a big economic hit when Molokai Ranch closed its doors and the golf course. Renting these homes provides all of the above and these a jobs that are the bread and butter for many Molokai residents. What is does not do is increase the population because these are existing homes where people would be living regardless. We are an economically challenged community. To take away this extremely small population when every job counts makes no sense to me. I am a homeowner who does not rent their home and I have NO problem sharing this beautiful island with tourists.

Also to limit the number of bedrooms and people for these short term rentals is unfair. Many families want to rent a house for family vacations of multiple generations that makes for stronger bonds experiencing paradise. Maui recognizes this. What is the difference on Molokai? None.

Thank you for your consideration.

Additional Comments:

The monopolies on our island are price gouging the residents so bad that our economy is beginning to implode. Without a limit on STRH on island, Air B&B would price all residents off the island and into homelessness, and all income would go unreported and untaxed. I would be really thrilled if all STRH permits were for residents only.

Additional Comments:

I have managed a TVR for over 14 years the tax base provided to the state and county is over the top. The people that rent them come to Molokai and spend their money and leave. don't get much better than that. Over 90% don't come back. Happy to have had the experience but find it expensive. Local people use these homes for visiting families, parties, weddings and more. Now we have to turn them down for there is only 6 people allowed in house at all times. Families of 8 can't even come together under the same roof for dinner. What is going on here!

Additional Comments:

I myself own a vacation rental that is legally permitted as a condhotel at the Ilikai Marina in Waikiki. I have found the most wonderful service to people that I pay my TAT and GET honestly and give my Aloha to all who come to my unit! I have rented a house in Molokai when we come over for SUP contest every year. They provide a wonderful service that give us the opportunity to bond as a family unit and also pay a substantial amount in taxes that are paid to our city and state! Please do not take this special experience away from us local people and others. You will be losing the tax money that Molokai and the state of Hawaii benefit's from and there is very little impact to any resources... Please do not do this to us! We love Molokai and respect all aspects of the people and lifestyle.

Let these people do as they wish with their homes. There are no jobs on Molokai to be able to support families w/o being on assistance. We overtook the islands from them & now won't allow them to do as they wish with they're own homes. Shame All about the almighty dollar

Additional Comments:

Dear Molokai and Maui Planning Commissioners

I write on behalf of myself and my extended family in support of maintaining legally permitted Short Term Rentals on Molokai and in support of the County Council's Resolution 17-74, as submitted, placing a cap on the number of STRH permits on Molokai at 40 island-wide (15 west end, 10 central, 15 east end).

My family owns a house outside Kaunakakai - 226 Kahinani Place - that has a current STRH permit (STMO 2015/0002). The house is named after my grandfather, Kimo's Hale. This property has been a part of my family's heritage for over 55 years. My father, grandfather and grandmother were residents of Oahu. My grandfather Kimo worked with Molokai residents to help establish the electric power grid on Molokai.

Our Kimo's Hale is situated among the homes of long-time family acquaintances who have supported us in establishing the home as a Short Term Rental and who have recently used the home for their family members during a memorial service.

Managing the house as a STRH allows my family to maintain this important part of our heritage. Our own regular visits to the house have enabled my mother Carolyn, myself, my wife, and our children to experience, learn about, and contribute to the Molokai community on a regular basis; every 3-6 months. Activities include Nature Conservancy, Molokai Land Trust, Ka Honua Momona, and Saint Damien of Molokai Catholic Parishes.

We are proud to contribute to the tax base of Molokai and Maui County through our STRH and to contribute to the income of all the wonderful partners we have in maintaining our house. The personalized and conscientious management by Molokai Vacation Properties has maintained the community essence of upper Kahinani Place, which is the priority for my family and our friends who live there. The guests at Kimo's Hale recognize this as well.

I and my family are greatly appreciative of the public service by Molokai and Maui County planning commissioners. We support the STRH process and periodic review system, we support full enforcement of illegal and un-permitted Short Term Rentals on Molokai.

We hope you do not put an end to all Short Term Rental Houses on Molokai.

Sincerely,
Rick Smith

We are very happy to live on Molokai, pay taxes, buy locally, and try to contribute as much as we can to the community. We would not be here had we not rented a short-term rental and fell in love with Molokai. Thank you Council Member Crivello for working to protect Molokai!
