Additional Comments:

Aloha,

Thank you for considering my support for short term rentals on Molokai. We are respectful of the community and thoughtful about maintaining the natural and quiet nature of the island. I do not see a compelling reason for a cap on the number of rentals, and instead advocate that all respectful, rule-abiding short term properties be allowed to apply and granted renting rights if all procedures are followed.

Mahalo,

Sarah

Honorable County Council Members,

In regards to the current vote of the Molokai Planning Commission to limit the number of STR permits to zero island wide, I would like to have my comments entered into the official record.

I am a resident and homeowner on Maui. I own a home on Maui in which I reside full time, as well a home on Molokai on the west side. I built the Molokai home in 2007 myself and have continued to improve the house and property over the last several years.

I am greatly concerned over the recent decision by a majority of the Molokai Planning Commission to reverse the current course of a limited amount of STR permits as suggested by Council Member Crivello to the new limit of Zero. This decision is on its face not only draconian but openly states the intention of the Molokai Planning Committee to disregard the current Maui County wide STR Ordinance without regard to its negative impact on Molokai or its residents.

I have made application through the County for a STR permit only to have it deferred from meeting to meeting since June. It is has been frustrating to have gone through a very exacting permitting process at considerable expense only to see it languish at the mercy of a few individuals who are transparent about their views and opposition to any change on Molokai no matter how beneficial to the people of Molokai. I can assure you that i have nothing but respect for Molokai and its people and have no intention or desire to take advantage of or exploit it. I am a property owner who pays a considerable amount in taxes for the privilege of being on Molokai and would like to contribute more to the local economy. The positive financial impact on the community is unquestionable, and Molokai desperately needs it.

I strongly implore members of the Maui Planning Committee and the Molokai Planning Commission to allow for the STR properties on Molokai. I feel Council Member Crivello' proposal to limiting the number of permits as a reasonable compromise to the current discussion. By doing so you will stand on the side of Reason and the Rule of Law.

Please help us help Molokai.

With Respect,

Steve Pillar

Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End). YES

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors. YES

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families. YES

I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being. YES

Additional Comments:

I do not want to see our property taxes continue to rise. Our island residents will not be able to keep their land holdings.
I do not like to see people who don't live here come in and speculate on island lands. I can understand why a local person would have a vacation rental, to support themselves in our poor income and I am fine with that...Thank you

Additional Comments:

We believe that if people who own a property on Molokai choose to do short term rentals of their property and have taken the time and spent the money to qualify for a permit then they should have the right to do so. To not allow the short term rental permits does little to nothing for the island and in fact will have a detrimental effect on many people who already live here. Molokai is known as a welcoming island, so to turn against this tradition seems not only a detriment to its reputation but a black spot on the entire community. Having limitations to the number of permits (40) seems reasonable. Doing away with the permits for short term rentals hurts many people on the island and therefore becomes a punishment imposed on them for no logical purpose. To many the Planning Commision should be working to make life better for all the residents of Molokai. We implore the Planning Commision to re-evaluate their decision and allow short term rental permits to continue.

We do not have a permit and have no intention of applying for a permit since we are full time residents of Molokai.

Sincerely,

Bill & Julie Leach
