Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End). YES

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors. YES

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families.

YES

I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being.

YES

Additional Comments:

Another attempt by Molokai's activists to succeed from the State of Hawaii yet they have no problem accepting the free handouts provided by our Federal Government. A major percentage of Molokai's Gross Domestic Product derives from the paddling industry. Such a bill would be devastating to that. Ridiculous bill to even be considered.

Additional Comments:

This ban is a mis-guided attempt to damage Molokai's small but important tourism industry.

I know of no complaints that the County has received since setting up a legal vacation rental permit system. No parking, partying, noise, issues at all.

The monies and employment that Vacation rentals is considerable, especially given Molokai's size. We only have one Hotel and people are looking for other local style lodging opportunities today rather than staying in a Hotel.

This issue warrants a vote by the community. Inserting this into the Community Plan without allowing a vote is wrong.

I have seen no cogent agreement why this ban is being requested. We are not talking about people building houses to rent out just as vacation rentals, we are talking about home owners looking to defer the expenses of living on a remote island.

Additional Comments:

STRH's play an important role in supporting the local economy, not just in terms of income from visitors from Molokai. Rental properties require considerable upkeep and local contractors, maintenance people and local suppliers (e.g., Ace, Take's, Hikioloa) benefit from the work provided by owners of these properties. In addition, many rental properties have part- and full-time caretakers that also are dependent on the work provided by STRHs.
