Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End). YES

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors. YES

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs. YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families.

YES

I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being.

YES

Additional Comments:

Without short term rentals being available we will never be able to partake in such an amazing event like M2O. I can only imagine all the other events that would be in jeopardy if this happens. Lee

Additional Comments:

I visit my my old home every year and my ohana participates in the M2O paddleboard Championships every year. We rent, buy groceries, buy Molokai Plumerias, rent equipment from Molokai Outdoors, rent cars, donate to local church and community groups. My childhood home is currently up for sale and we as an ohana have talked about how to purchase and vacation rent the property. How backward it would be to the Molokai economy/community to disallow short term rental properties. You can be sure I will be following this issue.

Aloha, Earlene Cuelho Alexiou

Additional Comments:

We rely on these rentals so that we can afford to visit our relatives and celebrate monumental achievements like 90 year old birthday celebration of our grandmother, which a 5 generation picture was acheived. This rental home provided us a home away from home, to cook and eat, bathe and relax and just soak up all that Moloka'i is and has to offer. Airfare to the island is not cheap, but a home rental was extremely more comfortable than a hotel room.

Additional Comments:

Aloha. I have been working on Molokai for the past 10 years installing solar electric projects at the Molokai General Hospital, Friendly Market Center, Molokai Drugs, Kamoi Snack-n-Go, Kualapu'u School and multiple private residences. Each and every time I and my crews have stayed in short term rentals. Not having that opportunity would be devastating. PLEASE allow for this limited number of short term rentals. It makes NO sense to close down this vital source of accommodations. Thank you. marco

Additional Comments:

Legally permitted short-term rental homes are the best way for local people and businesses to derive direct benefits from low-impact, minimal tourism. Additionally, shutting down all legal rentals will only result in an underground market to fill that niche which will be unregulated and untaxed--bringing more of the negative effects a ban attempts to address without the same benefits to the community, county and state.

Additional Comments:

On an island with such a small population, very limited opportunities, and a third of the residents on public assistance, these short-term rentals are an

important piece of the local economy providing cottage industry tourism, especially to those who live on the other islands.
