Additional Comments:

Legal rentals mean proper care and management needs must be met. County rules and laws enforced. Homes do not sit vacant and targeted for crime. Support the local businesses that work together to maintain legal rentals, as they provide work for local families... these are businesses such as local management, admin, repair and service maintenance, landscaping/gardening, Cleaners/Maid service and depending on the property some local flower and fruit farms. The local economy deserves our support.

Additional Comments:

I travel to Molokai at least twice a year and this service provides our teams a place to stay that is close to town and we don't have to travel to far. We paddle the Na Wahine O Ke Kai, our men come for the Molokai Hoe and we come for the Molokai Halloween race. It is really helpful to have more options. Mahalo

Additional Comments:

We are always struggling for families, friends that paddles , or big family reunions /parties. To look for a place to stay. Our island has NO hotels, or enough condos to place them. It's a shame as friendly isle we cannot provide them housing. It's great for our economics and island , local crafters/ farmer market to have positive effect .

Additional Comments:

I'm from the Big Island and recently stayed at Moloka'i Shores Vacation Properties this past July. We just loved our stay at Moloka'i shores, the room was just amazing! It was beautiful, clean and everything we needed was provided in the unit we rented for 3 nights. This was our second stay at the shores! We look forward to renting from Moloka'i Shores when we return to Moloka'i again! I'm praying that you will be successful.
