Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

Name Erik Ages

I support legally permitted Short Term Rental Homes on Molokai and Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).

YES

I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors.

YES

I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines.

YES

I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families.

YES

I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being.

YES

Additional Comments:

I believe there is a way of protecting the Molokai community's integrity AND allowing the island to thrive with visitors. To shut the door to rentals would result in a closed-door community. As an avid paddler, and the general manager of a paddling club in Canada that brings many paddlers to the Hawaiian islands each year, I strong urge the Molokai Planning Commission to keep your doors open to friendly visitors. I believe, with the right regulations and structure, we can continue to contribute to your local economy rather than be prevented from visiting at all. We hope you will keep your doors open!

Additional Comments:

I race OC-6, OC-1, and stand up paddleboards. I always look forward to the Mokokai races b/c Molokai is my favorite and it is THE most challenging race!!!! I was also on Molokai a couple weeks ago for the annual Mo'omomi Beach Cleanup. The actual public beach cleanup was only one day but the nonprofit, Sustainable Coastlines Hawaii also gave marine debris education presentations in the schools for 4 days. We also cleaned the beach before and after the cleanup. After the cleanup it took 2 days to load all the plastic trash into shipping containers so the trash could be taken off your island. Our

volunteers stayed on Molokai for up to a week and if short term rentals were not available that beach cleanup could not have happened!!!
