Consistent with the request of EDB Committee Chair below is a listing and scope for CM Molina's Public Works Priority Adds, approved by EDB committee.

CIP-CBS No. 6070
Countywide Facilities Maintenance Program, Public Works

Item No. 10, Baldwin Avenue Public Parking Lot Improvements-\$200,000, General Fund
Planning, design and permitting for fence repairs, enhancement of lighting, paving and striping of parking lot. To provide assessment for repairs to dilapidated fencing, increase lighting and improve parking lot surface.

Item No. 11, North Shore Greenway Bike Path Fencing-
Design and construction of fencing along mauka side nearest to bike path. Fencing to be approximately 1,800 lineal feet, from Baldwin Beach Park to Paia Youth Center/Paia Beach Park. Fencing will be short wood railing and concrete post mirroring the fencing on the makai side of the bike path.

The appropriation amounts are consistent with recommendation from the DPW.

Pictures of Bike path fencing and parking lot fencing attached.

Subject: Re: Molina Public Works Priority Projects

For purposes of clarification, I forgot to add the approved appropriation for Item No. 11, North Shore Greenway Bike Path Fencing-

Please see below clarification in [BLUE](#):

CIP-CBS No. 6070
Countywide Facilities Maintenance Program, Public Works

Item No. 10, Baldwin Avenue Public Parking Lot Improvements-\$200,000, General Fund
Planning, design and permitting for fence repairs, enhancement of lighting, paving and striping of parking lot. To provide assessment for repairs to dilapidated fencing, increase lighting and improve parking lot surface.

Item No. 11, North Shore Greenway Bike Path Fencing-[\\$50,000, General Fund](#)
Design and construction of fencing along mauka side nearest to bike path. Fencing to be approximately 1,800 lineal feet, from Baldwin Beach Park to Paia Youth Center/Paia Beach Park. Fencing will be short wood railing and concrete post mirroring the fencing on the makai side of the bike path.

Thank you
