MEMO TO: EDB Chair Rawlins-Fernandez

F R O M: Councilmember Riki Hokama

SUBJECT: **SUPPLEMENTAL TRANSFER SOLID WASTE** (EDB-1)

I propose the following cash reductions:

\$250,000 for the Central Maui Waste Reduction Study

\$400,000 for the Olowalu Transfer Station contract

Additionally, I propose increasing the residential rate for refuse pickup by \$1, for a total of \$308,400, and increasing the tipping fee for landfills by \$1, for a total of \$115,000.

These proposals would decrease the General Fund transfer necessity by \$1,073,400.
