Hello,

My name is Kevin Hagan and I am a resident of Paia at 2455 Waipua St, 96779. I am against the development of the proposed Paia Courtyard because the Paia corridor is already over-crowded particularly during high tourist season. Unless we develop more infrastructure, particularly roadways, the proposed Paia Courtyard will greatly aggravate the situation on Hana Highway and Baldwin Avenue. I do not think that this development should be approved or proceed.

Sincerely,  
Kevin Hagan
